Dear Alexandra,

On behalf of our Director, Silvia Cubina, and the Board of Directors of the Bass Museum of Art, I would like to express my sincere thanks to you for the beautiful program of Spanish music, *From Spain and Beyond*, presented on October 19, 2008.

Your selection of music was absolutely perfect and in total harmony with the character of the exhibition, *20th Century Works on Paper* from the FUNDACIÓN MAPFRE Collection. Your informative commentary on the works and the intent of each composer added to the artistic value of the afternoon. There is no doubt in my mind that those in attendance were awed by your accomplished and graceful performance and your magnificent voice.

As a gesture of our thanks, we would like to offer you and Howard a Family/Dual membership to the Bass Museum of Art, for which you will receive all the benefits of Museum general membership. Kindly complete the enclosed membership application and mail it back to me at your earliest convenience.

Please convey to Maestro Alfredo Mutiar our deepest appreciation for his musicianship and perfect accompaniment to your beautiful voice, and also our grateful thanks to Howard for his sponsorship of the program, without which we would not have been able to host such a successful event.

Again Alexandra, thank you so much for your willingness to perform at one of the Bass Museum's concerts. The intimate setting certainly enriched the presentation and we look forward to a repeat performance in the future.

Kind regards,

Denise Wolpert
